EFFECTIVE DECEMBER 1, 2023**

ACTIVE	CLASSIC	LIMITED	OBSOLETE
Full range of lifecycle services and support		Limited range of lifecycle services and support	Replacement and end-of-life services

LIFE CYCLE STATUS UPDATE:

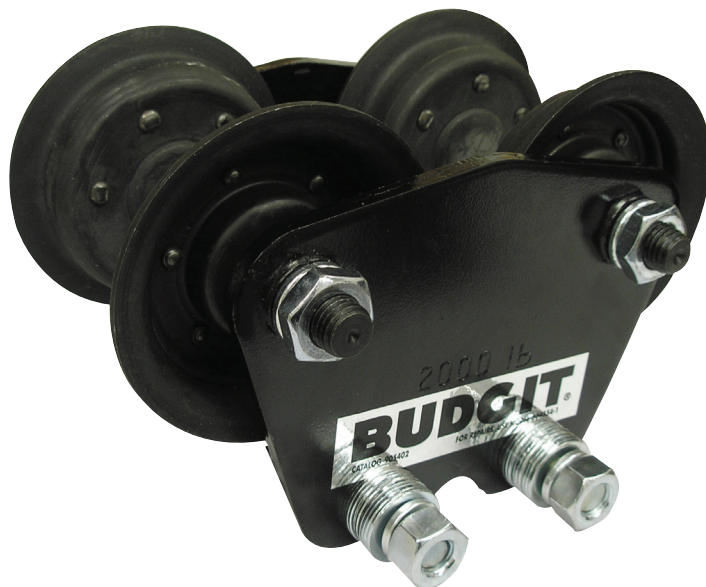

Due to ongoing supply chain issues, Columbus McKinnon has been unable to obtain a consistent supply of components needed for Budgit Rigid Push and Gear Trolleys. Effective immediately, the trolleys listed in the attached charts are no longer be available. Note: Heavy-Duty Rigid Mount Trolleys are not affected.

PRODUCT AVAILABILITY IN OBSOLETE PHASE:

Products listed in the attached charts are no longer available.

SERVICE AVAILABILITY IN OBSOLETE PHASE:

Columbus McKinnon will continue to support these products. However, some components may have limited availability.

RECOMMENDED ACTIONS:

As a substitute, we suggest using the CM® Universal Trolley, Budgit® Heavy-Duty Rigid Trolleys, or CM® HTP / HTG trolleys. Please contact customer service if you have any questions or need assistance choosing a replacement option.

The Columbus McKinnon Life Cycle Management process is designed to keep customers informed of the retirement of products and the service that accompanies them. This allows for informed transition to replacement products or the option to request extended service and support if available.
